Unfortunately something came up that requires me to be in the LA Office on the 22nd. I will be in SF on the 23rd if that works for you.

Sorry I missed the CRTF meeting, I took leave for a family event. Last week I saw a pretty good agenda for your Navy visit, let me see if our folks can go ahead and forward to Laura Ebbert. Also, don't forget I'm planning to have lunch with you on Monday Apr 22.

Hope all is well Karnig. I missed you at the Coral Reef Task Force meeting in DC last week. FYI...Trying to schedule Navy Base Ventura tour for a Thursday in July or August.

Thanks for checking in, Mike. We are still waiting on the Navy for dates this is possible this summer. I inquired again with Navy late last week, and if I hear anything I'll update you at tomorrow's scheduling meeting.

How are we doing on setting a tour of Navy Base Ventura on a Thursday. If you recall we were going to set this on the Wednesday the day before the tour.

Hello Mike,

I am sure we can work out a location/date for a Thursday. Not that it is all about me 😊 but I am going to be back east for a family reunion the last half of June around my mother's 83rd birthday.

I sure want to host/be here for your talk.

Be glad to work on other Thursday dates in May/June.

How does that sound?

Bob

Bob,

Given my schedule if we do a Wednesday it probably will be July through September. If we do a Thursday we could do in May or no later than June. If June 20th would work for you it would work great for me.

Best regards,

Mr. Stoker,

This email is to request you to speak to our members and other industry affiliates in Santa Barbara on a Wednesday, preferably at a luncheon meeting in May or June.

The venue will be the Santa Barbara Maritime Museum.

Please let me know if and when you are available.

Thanks in advance for your consideration of this request.
